

HUMBOLDT BIKE CHALLENGE

2017 PLEDGE FORM

15,000 MILES FOR BIKE MONTH

Let's beat last year's goal!

Support bicycling and Bay Trails in Humboldt!!

We are riding our bikes during Bike Month to raise funds for building our future multi-modal Humboldt Bay Trail. 100% of donations go to the trail fund.

Dear potential Enthusiastic Sponsor,

For Bike Month, I am participating in the Humboldt Bike Challenge. As part of my riding for the Challenge, I have opted to raise **funds for building and maintaining the future Humboldt Bay Trail**. You can sponsor me for an amount per miles days bike trips [*Rider, please check one*]. You can set a maximum amount that you are willing to contribute. Alternatively, you can simply donate a flat amount. After May, I will tell you how many miles/days/trips I biked and will collect your donation. All donations are tax-deductible. Thank you!

The local HUMBOLDT BIKE CHALLENGE is part of the National Bike Challenge organized by the League of American Bicyclists. The Humboldt Bike Month Coalition is organizing the local challenge and the optional fundraising component for the bay trail. Humboldt Bike Challenge is only for May (Bike Month), whereas the National Bike Challenge lasts from May 1 through Sept 30.

ENTHUSIASTIC RIDERS:

➤ Register for the Humboldt Bike Challenge at nationalbikechallenge.org. You will be entered automatically in the local Humboldt Challenge if you enter a Humboldt zip code. Registering also makes you eligible to compete for prizes from the National Bike Challenge.

You DO NOT have to participate in the fundraiser to join the Bike Challenge.

➤ To opt in to fundraise for the Humboldt Bay Trail: Register yourself as part of the Bay Trail Team. OR you can ride for another team (or no team at all) and still fundraise for the bay trail on the side. Get pledges; ride and log your miles through May 31; collect donations.

➤ You are responsible for getting pledges, collecting donations, and sending donations to the Humboldt Area Foundation. This pledge form is for your records.
