Staff Summary:

At the September HCAOG Board meeting the Board directed staff to proceed in negotiations with the California Highway Patrol to fund patrols not to exceed \$200,000 of SAFE funds for increased enforcement along the Eureka-Arcata Highway 101 Safety Corridor.

The CHP provided the attached CHP 78R form, which provides for an estimated 1,632 officer overtime service-hours and 132 sergeant overtime service hours for the 2018 calendar year. Upon approval of Resolution 17-23, the CHP will initiate a Standard Agreement.

The Technical Advisory Committee (TAC) discussed this item at their December meeting and requested consideration of adding language to the resolution emphasizing the that the supplemental patrols occur during peak hours and historical accident occurrences.

A CHP representative will attend the meeting to discuss the proposal and answer any questions.
