INDEPENDENT AUDITORS' REPORT

Board of Directors
Humboldt County Association
of Governments
611 I Street, Suite B
Eureka, CA 95501

We have audited the accompanying financial statements of the Transportation Fund of the City of Ferndale as of and for the years ended June 30, 2014 and 2013, and the related notes to the financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

INDEPENDENT AUDITORS' REPORT

Board of Directors
Humboldt County Association
of Governments
611 I Street, Suite B
Eureka, CA 95501

We have audited the accompanying financial statements of the Transportation Fund of the City of Ferndale as of and for the years ended June 30, 2014 and 2013, and the related notes to the financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Transportation Fund of the City of Ferndale as of June 30, 2014 and 2013, and the changes in financial position thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the Transportation Fund and do not purport to, and do not present fairly the financial position of the City of Ferndale as of June 30, 2014 and 2013, the changes in its financial position, or, where applicable, its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other

Our audit was also made for the purposes of determining compliance with the Transportation Development Act Sections 99234, 99400 (a), and 99260.7, the California Administrative Code and the rules and regulations of the Humboldt County Association of Governments. In our audit we performed to the extent applicable, the tasks contained in Sections 6666 and 6667 of the California Administrative Code.

In our opinion, the funds described above were expended in conformance with applicable laws, rules, and regulations of the Transportation Development Act and the allocation instructions of the Humboldt County Association of Governments.

CITY OF FERNDALE

**TRANSPORTATION DEVELOPMENT ACT FUNDS
NOTES TO FINANCIAL STATEMENTS**

For the Year Ended June 30, 2014

NOTE 1 - REPORTING ENTITY:

These financial statements consist only of the Transportation Fund of the City of Ferndale. This governmental-type Special Revenue Fund accounts for various street-related activities provided by the City, and is financed with Transportation Development Act (TDA) monies.

NOTE 2 - BASIS OF ACCOUNTING:

The Transportation Fund of the City of Ferndale is accounted for using the modified cash basis of accounting whereby revenues are recognized when collected rather than when earned, and expenditures are recognized when paid rather than when incurred, other than certain TDA receivables and payables.

NOTE 3 - DESCRIPTION OF SERVICES:

Under Section 99400(a) of the Transportation Development Act, the City of Ferndale claims and expends funds in order to provide an ongoing road maintenance and repair program which is partially funded with TDA monies.

NOTE 4 - USE OF ESTIMATES:

The preparation of financial statements in conformity with the cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
