  - City of Arcata
  - City of Blue Lake
  - City of Eureka
  - City of Ferndale
  - City of Fortuna
  - City of Rio Dell
  - City of Trinidad
  - County of Humboldt

**Staff's Recommended Action:**

That the HCAOG Board receive and file the Fiscal Year 2016-17 Pavement Management Program (PMP) Update Final Reports.

**Staff Summary:**

PMP Update reports have been prepared by Nichols Consulting Engineers (NCE) for the seven cities and the County of Humboldt. The PMP provides HCAOG member entities the same, systematic method to evaluate roadway pavement conditions in the region, and prioritize their maintenance, rehabilitation, and reconstruction needs.

The update reports include survey information of the physical condition of city and county street surfaces and a rating and estimate of the projected life cycle of each roadway, maintenance and rehabilitation strategies and costs, and funding scenarios for each jurisdiction to assist public works staff in the decision making process in order to best utilize available funds.

Ms. Margo Yapp, NCE Project Manager, will provide a presentation on the final PMP Update reports for the region.
