INDEPENDENT AUDITORS' REPORT

Board of Directors
Humboldt County Association
of Governments
611 I Street, Suite B
Eureka, CA 95501

We have audited the accompanying financial statements of the Transportation Fund of the City of Trinidad as of and for the years ended June 30, 2013 and 2012, and the related notes to the financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion

As discussed in Note 1, the financial statements present only the Transportation Fund of the City of Trinidad. Accounting principles generally accepted in the United States of America require that the City of Trinidad's financial statements present the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Trinidad.

Adverse Opinion

In our opinion, because of the significance of the matter discussed in the "Basis of Adverse Opinion" paragraph, the financial statements referred to above do not present fairly, the financial position of the City of Trinidad as of June 30, 2013 and 2012, or the changes in financial position or cash flows thereof for the year then ended.

Unmodified Opinion

In our opinion, except as discussed in the preceding paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of the Transportation Fund of the City of Trinidad as of June 30, 2013 and 2012, and the changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Our audit was also made for the purposes of determining compliance with the Transportation Development Act Sections 99234, 99400 (a), and 99260.7, the California Administrative Code and the rules and regulations of the Humboldt County Association of Governments. In our audit we performed to the extent applicable, the tasks contained in Sections 6666 and 6667 of the California Administrative Code.

In our opinion, the funds described above were expended in conformance with applicable laws, rules, and regulations of the Transportation Development Act and the allocation instructions of the Humboldt County Association of Governments.

CITY OF TRINIDAD

NOTES TO FINANCIAL STATEMENTS

For the Year Ended June 30, 2013

NOTE 1 - REPORTING ENTITY:

These financial statements consist only of the Transportation Fund of the City of Trinidad. This governmental-type Special Revenue Fund accounts for the various transit and street-related activities provided by the City, and is financed with Transportation Development Act monies.

NOTE 2 - BASIS OF ACCOUNTING:

The Transportation Fund of the City of Trinidad is accounted for using the modified accrual basis of accounting whereby revenues are recognized when they become both measurable and available to finance expenditures of the current period and expenditures are generally recognized when the related fund liabilities are incurred.

NOTE 3 - DESCRIPTION OF SERVICES:

Under Sections 99260(a) and 99400(a) of the Transportation Development Act, the City of Trinidad claims and expends funds in order to provide the following services and programs:

1. Participation and support of the Redwood Transit is System, which provides fixed-route transit service to the City's residents;
2. An ongoing road maintenance and repair program which is partially funded with TDA monies.

NOTE 4 - USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CITY OF TRINIDAD

NOTES TO FINANCIAL STATEMENTS

For the Year Ended June 30, 2013

NOTE 5 - STATEMENT OF CASH FLOWS:

As explained at Note 1, the Transportation Development Act activities of the City of Trinidad are accounted for in a Governmental-type fund. Even though the City claims their TDA transit funds under Article 4, Section 99260, they are not considered an operator as defined by Section 99210 of the TDA code, and thus do not report their transit activities in an Enterprise Fund. Thus, there is no requirement for a Statement of Cash Flows under current governmental accounting and reporting guidelines.

NOTE 6 - REQUIRED ANNUAL REPORT TO STATE CONTROLLER:

Section 99406 of the Public Utilities Code requires that entities file an annual report of expenditures of monies received for street and highway purposes with the State Controller's Office by the annual filing deadline for each fiscal year.

The annual report for the year ended June 30, 2013 was filed with the State Controller's office as of the required filing deadline.
