TAC Meeting
December 5, 2024

DATE: November 21, 2024
TO: Technical Advisory Committee (TAC)
FROM: Beth Burks, Executive Director
SUBJECT: Week Without Driving Walk Audit Report

Presentation

From September 30 to October 6, 2024, HCAOG co-sponsored local Week Without Driving activities with the Coalition for Responsible Transportation Priorities, Humboldt Transit Authority, and Tri-Counties Independent Living.

The Week Without Driving is an annual national challenge that encourages elected officials, policy makers, and transportation professionals to give up their car for a week and experience the transportation system as a nondriver to better understand the barriers nondrivers experience in accessing our communities.

As part of the activities two walk audits were conducted in Eureka. Colin Fiske, Executive Director of the Coalition for Responsible Transportation Priorities, will present the results of the walk audits (report attached).

Additionally, a resources list from Peggy Martinez, mobility consultant from Creative Inclusions that presented “The Week Without Driving: Why it Exists, and How Accessible Programs and Services can Create Meaningful Efficiencies” at the October TAC meeting is attached.
