SECTION 1 - All Projects

Pro	ect	Backg	round

Project originally combined two grants with City funds to improve the roadway surface, add bike lanes, and sidewalks and make ADA improvements at crossings.

Programming Change Requested

Remove sidewalk and bike lane portion that would have been completed using ATP funding

Reason for Proposed Change

ATP grant was unsuccessful

If proposed change will delay one or more components, clearly explain 1) reason the delay, 2) cost increase related to the delay, and 3) how cost increase will be funded
