

FTA Section 5311 **FFY 2019** Project Justification Sheets
Project Summary Page

Project Title:

Brief Description:

Insert a brief project description, including the following:

All projects: Indicate whether it is a Replacement or Expansion Project, and briefly describe project benefits and need for the project.

Vehicle replacement and vehicle expansion projects: Provide a description of vehicles to be purchased including the number of vehicles, type, length, passenger capacity, service life, and fuel type.

Vehicle replacement projects: Provide vehicle disposition information including the type, passenger capacity, fuel type, length, VIN #, in service date, current/end mileage, and disposition date.

Operations projects: Explain why the funds are not needed to maintain or replace capital equipment. Furthermore, if requesting funds for operations, *list all current and proposed efforts to find alternative fund sources.*

Planning projects: Must be included in the *Information Element* of HCAOG's Overall Work Program and support efforts to: (1) develop transportation plans and programs; (2) plan, engineer, design, and evaluate a public transportation project; and (3) conduct technical studies relating to public transportation.
