#### **Background:**

On July 23, 2024, the Humboldt County Board of Supervisors voted to place Humboldt County's Roads/911 Emergency Response Measure on your Nov. 5, 2024, ballot. In November, over 63% of voters supported authorizing an additional sales tax of 1% with revenue dedicated to road infrastructure improvements.

The ballot measure was to maintain 911 response times and prepare for natural disasters by:

- Repairing deteriorating county roads/bridges
- Fixing potholes
- Maintaining evacuation routes
- Improving transit services
- Becoming eligible for Humboldt County's fair share of state/federal roads funding
