The City of Eureka is preparing a grant application for the Caltrans Sustainable Transportation Planning Grant Program for the Development of a Eureka Bike Plan. The City of Eureka has requested a letter of support from HCAOG as part of the application. Staff has reviewed the request and found it to be consistent with the Regional Transportation Plan overall objectives including: balanced mode share/complete streets, safety, equitable and sustainable use of resources, and an efficient and viable transportation system. A letter of support is attached to the staff report for your consideration.
