**Staff's Recommended Action:**

Motion to be approved by consent:  
"I move that the HCAOG Board, acting as the Humboldt County Service Authority for Freeway Emergencies, adopt Resolution 24-11, authorizing the execution of a Standard Agreement with the California Highway Patrol for supplemental patrols on State Routes 36, 96, and 169."

**Staff Summary:**

Since November 2014, the Humboldt County Association of Governments, acting in their capacity as the Service Authority for Freeway Emergencies (SAFE), has been under a Standard Agreement contract with the California Highway Patrol (CHP) for supplemental patrols on State Routes 36 and 96, not to exceed \$100,000 per year. In 2020 State Route 196 was added.

The supplemental patrols provide roadside assistance to the public on State Routes 36, 96 and 169 areas with limited cell phone coverage. Although new call box installation has occurred on Routes 36 and 96, supplemental patrols remain a valuable service because there are still areas without call

box coverage, and long distances without cell coverage. Additionally, having supplemental patrols can improve response times when there is a motorist in need.

The requested contract amount is incorporated in the financial projections of the SAFE Strategic Plan. The following table is from the proposed standard agreement.

<b>Description</b>	<b>Rate</b>	<b>Hours</b>	<b>Extension</b>
Sergeant Hours:	\$149.05	56	\$8,346.80
Officer	\$122.51	544	\$66,645.44
		<b>Miles</b>	<b>Extension</b>
Patrol car mileage	\$1.66	15,000	\$24,900.00
			\$99,892,.24

Upon approval of Resolution 24-11, the CHP will initiate Standard Agreement Number 24R125000-0, included with this staff report, for the period of November 1, 2024, through October 31, 2025.
